

MSCC Speed Championship

Loton Park 13th July 2008

Given that the weather was superb on this occasion, our entries at this meeting were somewhat limited. In fact our number was beaten by the three wheelers, two to one. Yet again, as to be expected, Paul Clarke, with a 61.50 first in class and also Clive Hall in our class, with a 65.34 was first, yet again!

Not much left for the rest of us, with only six 4 wheelers entered.

Good day, good fun.

Nigel.

P.S. Blew the engine!!!
